WORK EXPERIENCE

Hon. Ann M. Murray, Chief Judge, Maine District Court

Summer 2008

Bernstein Fellow and Law Clerk. Assist in the development of an evaluation program for child protection workers; Provide recommendations for improved efficiency and effectiveness; Conduct legal research and writing as required; Other general administrative projects as assigned.

SchoolStat, U. of Pennsylvania (Fels Institute) and School District of Philadelphia

September 2006

– June 2007

Fels Data Analyst. SchoolStat is a first-in-the-nation performance management system that uses data to drive decision-making and senior level management efforts in the School District of Philadelphia, the country's 5th largest school district. The innovative SchoolStat program is modeled after Baltimore's CitiStat and New York City's CompStat. Worked closely with the regional superintendent for Philadelphia's unique Education Management Organization region on data collection, analysis, and generation of monthly briefing memos and presentations for six cohorts (40 schools).

Franklin Community Health Network (Franklin County, Maine)

August

2004 – July 2006

Special Projects Manager. Reported to the Vice President of a community health network in Franklin County, Maine. FCHN includes a 70 bed, acute care hospital, physician and mental health practices, a Healthy Community Coalition, a physician – hospital organization, and an affiliated organization that seeks to increase local access to health care services. Chief responsibilities included program oversight and development, budget and strategic planning, tactical development of community relations and marketing departments, administration coordination, grant writing, government relations, and major event planning. Managed team efforts that resulted in over \$2.5 million in federal grants to increase access to health care locally. Supported local implementation of DirigoChoice and developed marketing materials for network-wide financial assistance programs.

Longley for Congress (Maine)

May 2001 – June

2002

Senior Staff. Served as volunteer coordinator, field coordinator for Androscoggin County, college coordinator and senior staff on the steering committee. Directly managed a staff of over 30 full- and part-time volunteers; supervised press relations for Western Maine, including all releases and press or community contact; organized phone banks, literature and sign drives and all appearances at community events. Polled local voters, updated and

maintained campaign database, organized promotional events and open houses, and assisted the candidate with various events in the district.

MBNA New England (Belfast, Maine) June 2000
– June 2003
Lead Administration Assistant and Maine Scholar. Three-year internship in service and development.

Longley for Senate (Maine State Senatorial Campaign) July
1999 – Oct. 2000
Campaign Manager. Oversaw campaign activities, organized public events, scheduled weekly appearances, drafted press releases, monitored press announcements, recruited volunteers, bridged communication among constituents and the Senator.
